#### 4. PROMOTIONAL SERVICE OFFERINGS

From time-to-time, Sprint will provide promotional offerings to its subscribers. Such offerings will be limited to certain dates, times and locations. The specified terms and conditions of each promotional offering will be described below.

Promotional discounts are applied consecutively, beginning with a discount off the base rate and thereafter on the previously discounted rate.

##### 1. Resale Solutions Central Office Connection MRC Promotion

Beginning October 1, 1995, new subscribers of Sprint's Resale Direct, Resale Direct Extension, Resale Direct Toll Free and Resale Direct Toll Free Extension services will incur a \$60.00 per month, per local loop, central office connection monthly recurring charge (MRC) in lieu of the MRC charge listed in Section 3.1.A.1 herein. This promotion is no longer available to new customers.

##### 2. Resale Solutions Entrance Facility Charge

Beginning October 1, 1995, new subscribers of Sprint's Resale Solutions products using access arrangements which utilize Entrance Facilities will be charged \$132.00 for the monthly recurring charge for such facilities. This promotion is no longer available to new customers.

4. Flat Rate Access Promotion\*

Sprint will make available to new and existing customers a flat rate monthly recurring charge in place of certain local access line monthly recurring charges. The customer must meet the following requirements: (1) the customer must have at least one of the following services on each local access line to receive promotional pricing: Real Solutions Annual; Sprint Real Solutions VPN, Sprint Business Flex 500 Advanced, Domestic Sprint Frame Relay, Domestic Sprint Enhanced Frame Relay, Hospitality Connection, Sprint PublicFON Services, or Sprint IP Services; and (2) for T-1 local access lines, the customer must enroll in or be currently enrolled in a one, two, three, four, or five year Sprint Access Term Plan. The promotional MRC will be available for the number of months equal to the new Sprint Access Term Plan or the months remaining in an existing Sprint Access Term Plan and will cease if the Sprint Access Term Plan is terminated. When the Sprint Access Term Plan expires, customer will be re-enrolled in a Sprint Access Term Plan in accordance with Section 2.20. If the Customer does not re-enroll in a then currently available local access promotion (i.e., one that has not expired), Customer will be moved to Schedule No. 8 pricing.

For Real Solutions Annual, Sprint Real Solutions VPN, Domestic Sprint Frame Relay, and Domestic Sprint Enhanced Frame Relay, this promotion is "coterminous" with, and will expire upon the conclusion of, the initial Sprint Access Term Plan. The duration of the discounts offered for each access line pursuant to this promotion is "coterminous," meaning that if customer adds sites throughout the term of their agreement under the original FRAP, the discount and Access Term Plan for all sites expire at the same time. Term begins on the activation month of the first site. For other Sprint services, the Sprint Access Term Plan is on a location-by-location basis. Even if Customer's Sales Agreement automatically renews, this promotion and the rates and charges herein will not renew.

The rates set forth herein will apply unless customer re-enrolls in another Sprint Local Access Promotion.

To determine the applicable promotional term rate, the Sprint non-term rate for the local access line first must be found in the rate section of this schedule. Based on this rate, the corresponding promotional non-term rate is identified from the table below. The appropriate term discount which corresponds to the length of the term to which the customer subscribes is identified from the table below. This term discount is applied to the promotional non-term rate to produce the promotional term rate.

5. Flat Rate Access Promotion (FRAP) II

Sprint will make available to new and existing customers a flat rate monthly recurring charge in place of certain local access line monthly recurring charges. The customer must meet the following requirements: (1) the customer must have at least one of the following services on each local access line to receive promotional pricing: Real Solutions Annual; Sprint Real Solutions VPN, Sprint Business Flex 500 Advanced, Domestic Sprint Frame Relay, Domestic Sprint Enhanced Frame Relay, Hospitality Connection, Sprint PublicFON Services, or Sprint IP Services; and (2) for T-1 local access lines, the customer must enroll in or be currently enrolled in a one, two, three, four, or five year Sprint Access Term Plan. The promotional MRC will be available for the number of months equal to the new Sprint Access Term Plan or the months remaining in an existing Sprint Access Term Plan and will cease if the Sprint Access Term Plan is terminated. When the Sprint Access Term Plan expires, customer will be re-enrolled in a Sprint Access Term Plan in accordance with Section 2.20. If the Customer does not re-enroll in a then currently available local access promotion (*i.e.*, one that has not expired), Customer will be moved to Schedule No. 8 pricing.

For Real Solutions Annual, Sprint Real Solutions VPN, Domestic Sprint Frame Relay, and Domestic Sprint Enhanced Frame Relay, this promotion is “coterminous” with, and will expire upon the conclusion of, the initial Sprint Access Term Plan. The duration of the discounts offered for each access line pursuant to this promotion is “coterminous,” meaning that if the Customer adds sites throughout the term of their agreement under the original FRAP, the discount and Access Term Plan for all sites expire at the same time. Term begins on the activation month of the first site. For other Sprint services, the Sprint Access Term Plan is on a location-by-location basis. Even if Customer’s Sales Agreement automatically renews, this promotion and the rates and charges herein will not renew.

The rates set forth herein will apply unless customer re-enrolls in another Sprint Local Access Promotion.

8. Channel Discount Access Promotion

New and existing Sprint customers may be eligible to receive discounted monthly recurring charges (MRC) and waivers of non-recurring charges (NRC) on eligible T-1 local access lines. Customer must: 1) be currently enrolled in or sign a new Sprint Real Solutions Annual or Sprint Voice VPN Solutions 1, 2 or 3-year Term Plan; 2) sign a minimum annual commitment of \$60,000 or greater and 3) order one or more T-1 local access lines for those services. An existing Sprint customer must order one or more new T-1 local access line for use with either Sprint Real Solutions Annual or Sprint Voice VPN Solutions. The customer must also concurrently enroll in or be enrolled in a 1, 2 or 3-year Sprint Access Term Plan.

Each eligible T-1 local access line, utilizing twenty-four channels per month for voice traffic at the time of customer's enrollment in this promotion, will receive a promotional discount of 100% off one domestic, Sprint-provided, T-1 local access line MRC set forth in Attachment 1 of this schedule. Sprint will waive the COC MRC, the COC NRC, the ACF MRC and ACF NRC charges.

This promotion is limited to one T-1 local access line for each \$60,000 or greater in Minimum Annual Commitment. Customer must average \$5,000 in gross voice monthly usage charges over the qualifying DS1 to receive this promotion. After six months, Sprint reserves the right to cancel this promotion, if customer does not meet the average monthly gross usage requirement per DS1. This promotion will continue for the duration of the customer's Access Term Plan for the eligible T-1s.

Promotional discounts are not available for local access lines installed solely for redundancy or for customer-provided access. The following are not eligible for this promotion: 1) locations where non-term DS1 Local Loop monthly recurring charges set forth in this schedule are \$1,800 or greater, 2) Sprint-coordinated, vendor-billed access lines or 3) co-located access

Discounts on T-1s under this promotion may not be combined with any other discounts or waivers on local access lines, ACF or COC, except for discounts on installation of T-1 local access lines.

This promotion is only available at customer's associated business locations and is only available for commercial use. Orders for the customer's initial new dedicated locations must be activated by July 31, 2003. This promotion will expire on April 30, 2003, unless it is changed or canceled by Sprint.

14. Dedicated Access Promotion II

New and existing Sprint customers may be eligible to receive discounted monthly recurring charges (MRC) on eligible Sprint Provided DDS, DS1, DS3 or DAL local access lines. Sprint will charge customer a discounted MRC, in the applicable amount, which will vary by Local Serving Office (LSO). Customers must meet the following requirements: 1) order one or more eligible local access lines for use with Sprint Service(s); 2) have at least one of the following services on each eligible local access line: Sprint Voice Solutions, Sprint Voice VPN Solutions, Domestic Sprint Enhanced Frame Relay, Sprint IP Intelligent Frame Relay (existing customers must extend their existing Sprint Frame Relay agreements for at least 1 year), Domestic Sprint IP Services or Domestic Sprint ATM Services; and 3) concurrently enroll in a Sprint Local Access Line Term Agreement and eligible Sprint Service Term Agreement.

The promotional MRC will be available for the number of months equal to the new Sprint Access Term Agreement or the number of months remaining in an existing Sprint Service Term Agreement. Customer's Local Access Line Agreement will end upon expiration or termination of the underlying service agreement specified above. Upon expiration, customer must move to the then available promotional pricing for local access lines or will be charged non-discounted list rates located in Schedule 8. The Local Access Line Term Agreement begins on the activation month of the first site.

If customer adds sites under an existing Sprint Service Agreement (Frame Relay, Voice, etc.) and customer is not required to enroll in a new agreement, the discounts available under this offer will be applicable to the new location(s) and all sites will expire at the same time. If a new Sprint Service Agreement (Frame Relay, Voice, etc.) is required when adding sites, then customer will be required to enroll in the then available promotional pricing for local access lines. Even if Customer's Sales Agreement automatically renews, the discounts herein will not renew.

The applicable MRC discount will be applied to each of the customer's invoices following enrollment in this promotion. Promotional discounts are not available for local access lines installed solely for redundancy. Customer-provided access, Co-Located Access or Sprint-coordinated, vender-billed access is not eligible for the benefits outlined in this promotion. Specific discounts can be identified at [http://www.sprintbiz.com/tariffcalc/dap\\_index.jsp](http://www.sprintbiz.com/tariffcalc/dap_index.jsp). Discounts under this promotion may not be combined with any other discounts or waivers on local access line (Local Loop) MRC charges, including the Access Term Plan Arrangement discounts found in Sprint Schedule #8. Domestic and international Private Lines are not eligible for this promotion. Customers requesting DS1 access must have multiple channels provisioned on the circuit, 56k stand-alone ports must be provisioned with 56k access. For Dedicated IP, fractional DS3's are eligible, but burst able IP is not. Fractional DS3's for other products are not eligible. This promotion is only available at customer's associated business locations and is only available for commercial use. Orders for the customer's initial new dedicated locations must be activated by July 16, 2004. This promotion will expire on April 16, 2004, unless sooner changed or canceled by Sprint.

Sprint reserves the right to cancel this promotion if customer does not meet the requirements for the underlying Sprint Service. This promotion will continue for the duration of the customer's Access Term Plan for all eligible circuits

19. Custom Access Pricing Promotion

New and existing Sprint customers may be eligible to receive discounted monthly recurring charges (MRCs) and waivers of non-recurring charges (NRCs) on eligible new domestic, Sprint-provided DDS 56 Kbps, DAL, DS1, or DS3 local access lines used in conjunction with any Sprint Service requiring dedicated access, except interexchange (domestic and international) Private Line Services, and existing Sprint-provided DDS 56 Kbps, DAL, DS1, or DS3 local access lines provided in Customer's Access Term Plan or Sprint Schedule No. 12 CSA.

Customer's local access line MRC will be based on Customer's local service office. Customer will receive the associated rate(s) provided in the following link at the time the Customer subscribes for service: [http://www.sprintbiz.com/tariffcalc/car\\_index.jsp](http://www.sprintbiz.com/tariffcalc/car_index.jsp). The rates posted at this link may be subject to change.

Customer will receive a waiver of its installation charges on the Central Office Connection, Access Coordination Fee and local access lines installed during the Term. Access lines will have a pro-rated termination liability.

Customer will receive a waiver of the monthly recurring Central Office Connection and the Access Coordination Fee charges on its Sprint-provided local access lines installed or in service during the Term.

For customers who subscribe to a Sprint Schedule No. 12 CSA option, customers may add locations not covered by the CSA under this promotion. The Custom Access Pricing Promotion rates will apply as long as the circuit is installed. However, if the Customer is subscribing to DS3 local access lines, the term must be at least twelve months. For customers who subscribe to a new Sprint Access Term Agreement, the term of the access line expires when the Local Access Line Term Agreement expires. Even if the Customer's CSA or term agreement automatically renews, this CSA and the discounts herein will not renew. When the term of this CSA expires, Customer may enroll in an access line promotion that is available at that time. If the Customer does not enroll in a promotion available at that time, standard access charges herein will apply.

If Customer adds sites under an existing Sprint Service Agreement (Frame Relay, Voice, etc.) and customer is not required to enroll in a new agreement, the discounts available under this promotion will be applicable to the new location(s) and all sites will expire at the same time. If a new Sprint Service Agreement is required when adding sites, then customer will be required to enroll in the then available promotional pricing for local access lines. Even if Customer's Sales Agreement automatically renews, the discounts herein will not renew.

The discounted rates provided pursuant to the promotion may not be combined with any other promotion, any CSA option discounting this access line MRC, or any access term discount. The discounted rates do not apply to existing circuits.

New and existing Sprint customers may be eligible to receive discounted monthly recurring charges (MRCs) and waivers of non-recurring charges (NRCs) on eligible new domestic, Sprint-provided DDS 56 Kbps, DAL, DS1, or DS3 local access lines used in conjunction with any Sprint Service requiring dedicated access, except interexchange (domestic and international) Private Line Services, and existing Sprint-provided DDS 56 Kbps, DAL, DS1, or DS3 local access lines provided in Customer's Access Term Plan or Sprint Schedule No. 12 CSA.

Customer's local access line MRC will be based on Customer's local service office (End Office). Customer will receive the associated rate(s) provided in the following link at the time the Customer subscribes for service: [http://www.sprintbiz.com/tariffcalc/car\\_index.jsp](http://www.sprintbiz.com/tariffcalc/car_index.jsp). The rates posted at this link may be subject to change.

Customer will receive a waiver of its installation charges on the Central Office Connection, Access Coordination Fee and local access lines installed during the Term. Access lines will have a pro-rated termination liability.

Customer will receive a waiver of the monthly recurring Central Office Connection and the Access Coordination Fee charges on its Sprint-provided local access lines installed or in service during the Term.

For customers who subscribe to a Sprint Schedule No. 12 CSA option, customers may add locations not covered by the CSA under this promotion. The Custom Access Pricing Promotion rates will apply as long as the circuit is installed. However, if the Customer is subscribing to DS3 local access lines, the term must be at least twelve months. For customers who subscribe to a new Sprint Access Term Agreement, the term of the access line expires when the Local Access Line Term Agreement expires. Even if the Customer's CSA or term agreement automatically renews, this CSA and the discounts herein will not renew. When the term of this CSA expires, Customer may enroll in an access line promotion that is available at that time. If the Customer does not enroll in a promotion available at that time, standard access charges herein will apply.

If Customer adds sites under an existing Sprint Service Agreement (Frame Relay, Voice, etc.) and customer is not required to enroll in a new agreement, the discounts available under this promotion will be applicable to the new location(s) and all sites will expire at the same time. If a new Sprint Service Agreement is required when adding sites, then customer will be required to enroll in the then available promotional pricing for local access lines. Even if Customer's Sales Agreement automatically renews, the discounts herein will not renew.

The discounted rates provided pursuant to the promotion may not be combined with any other promotion, any CSA option discounting this access line MRC, or any access term discount. The discounted rates do not apply to existing circuits.
