International FÖNCARD and Operator Service		See Sprint Global Family Connections.	

- This optional calling plan offers customized combinations of long distance and local service to customers residing in New York, Texas and Georgia who subscribed to Sprint for local service prior to December 27, 2000. Sprint local service may no longer be available. Where local service is available, the monthly recurring charge includes local service in addition to long distance service. Information concerning local service may be found in Sprint's applicable local tariffs.
- All calls are billed in whole minute increments. Partial minutes are rounded up to the next whole minute.
- All call placements charges, connection fees and surcharges apply per call.
- The service is available to residential customers who have selected Sprint as their primary interexchange carrier.
- For country termination points and state-to-state call definitions, see [Service Availability](#).
- A customer's phone line may not be classified as a "business", "public" or "semi-public" line.
- The customer's phone line may not be in housing associated with educational institutions.
- The customer may not use this service for commercial use, for connection to the Internet, for other data services (including facsimile transmissions) or for any other use that does not involve a person-to-person conversation or voice message.
- Usage does not include usage from multi-party conference calls, calls to 900 NPAs, or calls to Directory Assistance.
- If Sprint determines that the service is not being used for individual residential service, or in any other way violates the restrictions of this service, Sprint may suspend or terminate the customer's service.
