

Mexico's 10 digit dialing system begins August 3rd 2019.

Update you contacts cellular numbers by removing the "1" before the number.

Effective August 3rd, all telephone numbers in Mexico, landline and mobile, will have a total of ten digits.

For Sprint customers calling Mexico from the U.S., the extra "1" before cellular numbers are no longer required. Just simply dial 011 + 52 + 10 digit number.

Remove the "1" from your contacts or your call will not complete beginning (9/1/2019).
