

This table lists the hearing aid compatibility ratings for Sprint phones.¹

Because user experiences are varied and highly individualized, Sprint recommends customers try several hearing aid compatible phones at Sprint owned and operated stores to determine which phones will work best for them.

¹This list subject to change. To check the availability of these and other devices, visit your local Sprint store, sprint.com, sprintrelaystore.com, boostmobile.com, or virginmobileusa.com. The HAC rating for a phone can also be found on its box or the user manual.

* This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise.

Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
